**Annexation Checklist:**

*Attach the following items to this application:*

- (1) Payment in full of applicable fees for processing the application:  
\$325.00 application fee
- (2) A legal description of the property to be annexed. A survey may be required if the property description can not accurately be platted or if it is described by referring to other deeds.
- (3) CD or USB Flashdrive containing a copy of the legal description in MS Word and all required submittal items should be also included in PDF format.
- (4) A copy of the deed or survey of the property to be annexed. A survey may be required if the property description can't accurately be platted or if it is described by referring to other deeds.
- (5) A copy of the county parcel map from the Washington County Assessor's office or from the Washington County website ([www.co.washington.ar.us](http://www.co.washington.ar.us)). The subject property and all parcels within 200 feet should be identified on this parcel map. The owner's name, official mailing address, and the parcel number for every property and residents with separate addresses shall be shown on this map.
- (6) Copy of an "Order of Annexation", signed by the county judge and file marked (by the circuit clerk) from Washington County. Prior to entering the County de-annexation process, the applicant must first submit the legal description to Fayetteville City Planning to check for correctness. Once approved, the legal description of the property proposed to be annexed must remain the same through out the process, or the annexation risks being voided.
- (7) Copy of "Petition for Annexation" presented to Washington County Court stating legal description of property and property owners.
- (8) Each plat shall have two (2) points described in State Planes Coordinates, Arkansas, North, North American Datum, 1983 (NAD 83).
- (9) A written statement addressing the consistency of the proposed annexation with the City's Annexation Guiding Policies. Several of these policies are listed below and should be addressed in writing, where applicable, with the application submittal.
  - a. Annex existing islands and peninsulas and do not annex areas that would create an island or peninsula.
  - b. Proposed annexation area must be adjacent, or contiguous, to city limits.
  - c. Areas should either include or exclude entire subdivisions or neighborhoods, not divide.
  - d. Boundaries for annexed areas should follow natural corridors.
  - e. Annex environmentally sensitive areas that could be impacted by development and utilize appropriate development regulations to protect those areas.
  - f. Public services (including emergency response) must be able to be provided efficiently in newly annexed areas.
  - g. Areas currently served by utilities and other public services should be annexed.
  - h. Proposed annexation areas should not require the upgrading of utilities to meet the demands of development unless there is a threat to public safety.
- (10) The applicant is responsible for meeting the public notification requirements for an Annexation listed on the Notification Requirements pages in this application.

**NOTE:** When property is annexed into the City limits, it is automatically assigned a zoning district of R-A, Residential Agricultural. If a different zoning district is desired, rezoning must be requested. Applications for rezoning request are available in the planning office. **All applicants should meet with a staff Planner prior to submitting an annexation application.**
